

10 TIPS FOR YOUR WEDDING

Enjoy these tips and if you have any questions whatsoever, please feel free to contact me any time on 0424 001 545, or email info@designabeauty.com.au

Tip #1

Allow 1 hour per person for your make up trial and 1 hour for your hair trial. This will give you plenty of time to try out colours and styles.

Tip #2

Bring a piece of fabric from your bridesmaids outfit to the trial, or if you don't have one, an idea of the colour chosen. Any photographs of a particular hair style that you want would be good to bring also, bearing in mind that unless you have exactly the same colour and texture hair as the model, it may not look exactly the same. Photos of make-up style would also be great if you have something in mind.

Tip #3

If you need a hair cut and colour, ensure that you have it at least one week before. This way you give yourself time to change it you need to before the wedding.

Tip #4

If you would like false eyelashes, please advise us before the trial, so we can have just the right ones on hand for you. Alternatively, you can purchase your own before the trial. This way you will have more selection. I would recommend the girls at the Napoleon Perdis or the Mac Cosmetics stands in the Myer centre in Adelaide. I find these girls very helpful and they will advise you the best eyelash for your shaped eye and of course your unique personality. We always advise that you try the false eyelashes before your wedding day, as they do not agree with every person and we want you to be totally comfortable on your special day.

Tip #5

Have a think about purchasing a wedding day touch up kit. This comes in a gorgeous little silver mesh purse... see 'specials page' www.designabeauty.com.au This includes pressed powder compact, lipstick and lip liner and for the bridesmaids who don't get to have a trial but would like a lippy touch up, we have a fabulous little retractable lip brush which we lace with your very own colour lipstick, for purchase on the day. Lipstick and/or lip gloss are also available separately for purchase.

Tip #6

Your make up artist should be finished at least 3/4 hour before the photographer arrives. This will allow time for you to dress before they arrive. We allow 30-45 minutes for make-up and 1 hour pp for hair, so for a party of 6 you would allow about 4 hours just to be on the safe side.

Tip #7

Wash and condition your hair thoroughly the night before your wedding or on the day itself. This will ensure that your hair will look fabulous. Oh! ...and don't forget to wear a button up top on the day, so you can easily slip it over your hair.

Tip #8

Check out all the other services provided. You may wish to have your very own pre-wedding pamper party, or gather your friends for a Style and Beauty workshop or have a pre-wedding photo shoot....massive fun!! Check www.designabeauty.com.au (Other Services Page) for more detail.

Tip #9

Want to have flawless skin for your wedding? Then email or call me on 0424 001 545 for your free skin analysis. Also on offer is a complimentary facial, giving you the opportunity to try our unique range of Grace skin care products designed exclusively for your personal skin type. We specialize in troubled skin and if you would like to bring your mum along, she can sample our anti-ageing range which includes the non-surgical face lift. You can check out the range at <http://www.gracecosmetics.com.au/10535>

Tip #10

If it's jewellery you're looking for, check out our range of stunning Designer Jewellery at <http://www.gracecosmetics.com.au/105355> and click on jewellery. Here, you will find beautiful pieces for yourself, your bridesmaids and mother of bride and/or groom.
